PRESIDENT'S CORNER

Great news my RV-3 is flying again. Last week I was able to fly to West Bend for breakfast with the Chapter 897 breakfast squadron consisting of Stuart Ludtke: RV-4, Ben Ludtke passenger, Roger Vavra: Zenith 601, Mike Schultz passenger and Bob Hartwig: Sonnex. Phil Hanson provided us with taxi service from the West Bend Airport to the Copper Penny restaurant for a great meal with a lot of airplane talk and corny jokes. I'm sure we'll be doing a lot more of these flights this summer and would welcome others to join us.

If you have not heard Tim Bentheimer UNU airport manager has taken a new job outside of aviation and Mary Gasper will be taking over the airport manager position for the interim and possibly long term. Please welcome Mary and give her your support.

After many cold months Steve Unurtl was finally able to start mudding the drywall in our new chapter multipurpose room and it's looking very good. The room will be ready for paint very soon and for us to use this summer. It's great to have a lot of talented and hard working people in our chapter.

The breakfast and car show is coming up fast and should be a good one. We have a great line up of displays for our guests and we are due for some better weather.

Dennis Winkel

UPCOMING EVENTS

EAA Chapter 897 Minutes

April 9, 2011

Dennis Winkel, President, called the meeting to order in the airport terminal at 0904 with 17 members present.

Minutes: Rick Gempeler made a motion to accept the March minutes as printed. Arthur Parr seconded the motion. Motion passed. .

Treasurer's Report: presented by Glenn Ingram. Ron Romans made a motion to accept the report. Linda Ludtke seconded the motion. Motion passed.

Young Eagles: none flown. A larger group of Boy Scouts are expected on September 23rd. Planning will start in May. Next event: May 21.

Air Academy: Brian Lerwick has advised to date there are no applicants. Option to donate local Chapter credits to area Chapter sponsoring student discussed. Glenn Ingram will contact Steve Buss for information on students/ Chapter sponsors.

Chapter Hangar: No recent work has been completed. Work will proceed on the drywall once the weather improves.

Fly-out Reports and Events: Member photo with planes following May meeting. Dennis Winkel suggested a "name the room contest". Submissions are due at the June meeting and final voting at July meeting. Only requirement- needs to have an aviation tie-in.

Educational Presentation: none

Pedal Planes: Delayed until after the multipurpose room is finished.

Breakfast: Cost is \$7 for adult. Menu unchanged. Linda Ludtke has talked with Sonnex regarding possible display.

Summer Meetings: June, July, and August 2011 meeting to start at 0800 to facilitate fly-outs.

Builders Reports: Verbal reports given.

Adjourn: Motion made to Adjourn made by Tim Hoversten. Second by Ron Romans, motion passed at 1000.

Respectfully submitted by Carol Winkel, Secretary

HOMEBUILDER DREAM JOB AVAILABLE

APPLY FOR HOMEBUILDERS COMMUNITY MANAGER POSITION AT EAA

May 3, 2011 – Do you eat, sleep, and breathe homebuilding? Is every one of your friends building an aircraft? When Sport Aviation hits your mailbox, do you disappear for an hour? Is your dog's name "Cleco"? Do you think it's crazy to buy an aircraft when you can build one yourself?

If you are nodding your head in agreement then you might just be the right person for the Homebuilders Community Manager Position at EAA.

The Homebuilders Community Manager is responsible for the planning, implementation and ongoing management of programs targeted at the aircraft builder, and restorer (aka the "craftsman" segment of EAA's membership) as part of EAA's organizational goals. For more information on the position, visit the EAA Careers Web page.

**Our annual EAA chapter 897
Fly-in, Drive-In Breakfast is just a couple of weeks away
Sunday, June 5th**

Plan now for our chapter breakfast. Our plans are to have interests for the whole family. Planes, tractors, custom cars, fire department demonstrations, Helicopters and much more. Come to the meeting this Saturday and find out how you can help.

**Chapter Pictures will be taken at the
meeting, this Saturday**

**Chapter pictures will be taken and used in the next chapter
calendar Possibly from June 2011 to June 2012**

**Everybody will be included in the group picture
You don't need an airplane to be in the pictures**

**If you can't attend the meeting on Saturday and want to be on the calendar,
contact Ron Romans; ronromans@wi.rr.com or 262-251-5197.**

I can use your existing photo or I can arrange a time to take a picture for the calendar.

Photo by Roger Vavra

***JEFF SELL CONTRIBUTES A THREE IN ONE
BRAKE PRESS, ROLL FORMER AND BEAD FORMER***

This appears to be a heavy duty unit that will serve the chapter well

Thank you Jeff

ANNUAL FRASCA FLY-IN

Some advice from our Friendly Aviation Administration (FAA) Operations at Non-Towered Airports, Like Our Own (UNU) Dodge County Airport

When flying to and from a non-towered airport, always monitor the local **Common Traffic Advisory Frequency** also known as **CTAF**. Frequencies are listed on sectional charts and in airport directories.

Proper use of **CTAF** builds situational awareness and increases the margin of safety for all pilots.

Always transmit before taxiing, take off, entering the traffic pattern, and landing

Routinely monitor and use **CTAF** within 10 miles of your destination airport
Remember some aircraft may not have a radio, so always continuously scan the runways and approaches for other traffic.

CTAF frequencies may be shared by several airfields in the same geographic area. For this reason, the message protocol is modified to begin and end the transmission with the airport name:

Identify the airport you are calling

State your call sign (you may also want to state your aircraft color and type)

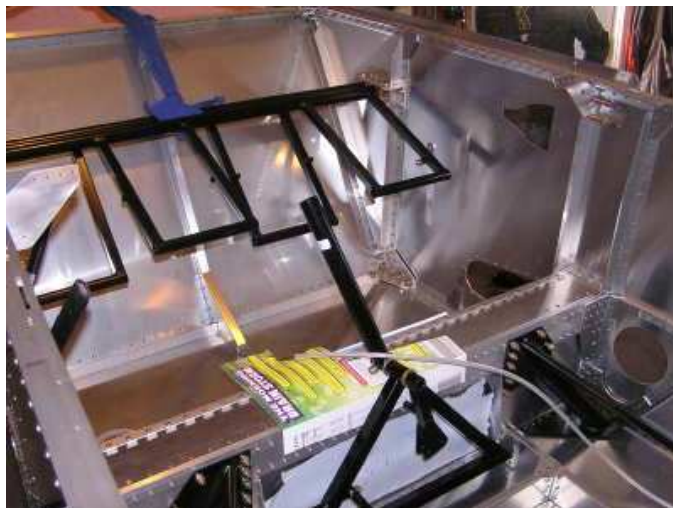

State your position and your intentions

Repeat the airport name at the end of your transmission

BEN LUDTKE'S SONNEX IS TAKING SHAPE

Ben works every day on his Sonnex. The pictures below show the progress being made. Since these pictures were taken, Ben has assembled the landing gear to the fuselage.

The wings and tail feathers are complete and ready to mount. Look for Ben's Sonnex at the airport later this summer.

3rd Annual

Wings & Wheels Car Show

Sunday June 5, 2011

8am—12pm

- **Fly In—Drive In Pancake Breakfast**
 - **Airplane Rides**
 - **Fire & EMS Demos**
- **Sheriff's Department Displays**
 - **Flight For Life Helicopter**
